Dear Sirs

An application to vary environmental permit reference EA/EPR/GB3803XM/V002 has been posted to the Permitting and Support Centre (Sheffield) today.
The application has been made on behalf of Quattro Site Southall.

The CD contains;

- a covering letter;
- applications forms;
- supporting information;
- fire prevention plan;
- odour management plan;
- site condition report;
- environmental risk assessment; and
- dust management plan.

A copy of the covering letter and supporting information have been attached to this email for reference.

The technical plans and application forms (zipfile) are large documents and unlikely to get through on email due the file sizes.

I will be grateful if you can confirm receipt of the application once it arrives in the surface mail (on CD).

Many thanks

Regards

Yours sincerely,

Beth Lyon
