# Application for an environmental permit Part RSR-B5 – New bespoke radioactive substances activity permit (burial of radioactive waste)

Please read t	hrough th	nis part	of the f	orm a	nd the
part RSR-B5	guidance	notes b	oefore v	ou fill	it in.

If you are applying for a new bespoke permit for a radioactive substances activity involving the burial of radioactive waste, fill in this part of the form, together with parts RSR-A and RSR-F. If you want to disposal of radioactive waste other than by burial, also fill in part RSR-B3.

We have published guidance on the disposal of radioactive waste in near surface facilities at

http://publications.environment-agency.gov.uk/pdf/GEHO02 09BPJL-e-e.pdf.

We strongly advise you to read that guidance and the guidance to this form, and then to discuss your proposals with us before you make an application.

It will take less than three hours to fill in this part of the application form.

- 1 Other applications
- 2 About the activities
- 3 Operating techniques
- 4 Disposal of radioactive waste
- 5 Monitoring
- 6 Radiological assessment
- 7 Non-radiological assessment
- 8 Radioactive waste acceptance criteria
- 9 How to contact us

## 1 Other applications

	••
	Have you recently made, or do you intend to make, an application for an environmental permit to operate a regulated facility, r than a radioactive substances activity, on the premises?
No	
Yes	
2	About the activities
2a	What activities are you applying for?
Tick	the relevant boxes in Table 1 to show which radioactive substances activities you are applying for.
Table	e 1 – radioactive substances activities

Schedule 23 Part 2 paragraph reference	Description	
11(2)(b)	Dispose of radioactive waste on or from premises used for the purposes of an undertaking	
11(4)(a)	Receive radioactive waste for the purposes of disposing of it	

# 11(4)(a) Receive radioactive waste for the purposes of disposing of it 11(2)(c) Accumulate radioactive waste on the premises (non-nuclear sites only) 2b Is a submission to the European Commission under Article 37 of the Euratom treaty required for these activities?

	vitie	s?	JII 0	maer Article 37 of the Euratom treaty	required for these
Vo					
⁄es		If yes, what is its status?			
		In draft			
		Submitted to EC		Give date of submission (DD/MM/YYYY)	
		Opinion received		Give date of opinion (DD/MM/YYYY)	
2c	Pro	vide a technical description of your acti	viti	es	
Doci	umen	t reference			

## 3 Operating techniques

3a Describe how you manage the disposal of radioactive waste by burial to protect the environment and to optimise the protection of members of the public
