## Canvey Island - Southern Shoreline Revetment Project Newsletter

Issue 17: 17 May 2024

### Welcome!

Welcome to the seventeenth edition of the newsletter for the Canvey Island Southern Shoreline Revetment Project.

This edition includes progress made on site, the date for our next community drop-in session and updates on both the Concord and Labworth Cafes.

On page 3 you will find the latest working times for the project.

If you would like copies of future newsletter editions, please email: [TEAM2100canveyrevetment@jacobs.com](mailto:TEAM2100canveyrevetment@jacobs.com)

### Progress from site

Over the past month we have:

- Begun the placement of steel reinforcement to Fisherman's Corner access ramp and have now undertaken the first concrete pour.
- Commenced placement of Open Stone Asphalt (OSA) / Lean Sand Asphalt (LSA) in the Chapman Sands phase.
- Started piling for the new Chapman Sands ramp.
- Removed elements of temporary upper haul road/ramps near Labworth in preparation for opening up of sections of the landside and riverside revetment to public access.

### Hold the date: next drop-in

We will be holding our next community drop-in on 4 July, 3pm-6pm.

The drop-in will give you the chance to ask the team any questions that you have about the project.

You are welcome to arrive at any time from 3pm-6pm. Please watch this space for further details on the venue.

In the coming months, we will:

- Complete the piling at Chapman Sands ramp.
- Commence construction of a set of precast concrete beach access steps in the Chapman Sands phase.
- Open up the riverside frontage local to Labworth Café.
- Continue with the construction of the temporary upper haul road and ramps along Eastern Esplanade.
- Demobilise Satellite Compound 2 from the Movie Starr car park.
- Continue the placement of OSA / LSA for Chapman Sands phase.

### Memorial benches during the project

Throughout the duration of the project, our team is removing memorial benches along the seafront to protect them while we work in the area. We have currently moved benches from Chapman Sands/Eastern Esplanade. The benches are being safely stored and will be replaced to their original position. The project team would like to thank everyone for their patience and cooperation. We will continue to keep you across the latest details regarding the benches.

### Concord Café: open as usual

We are currently working in the area of the Concord Café on Eastern Esplanade.

Please note that the Concord Café is open as usual while our team works in the area.

For further details on the latest phases, please see the diagram on page 2 of this newsletter.

## Considerate Constructors' Scheme win

The Canvey project has been awarded a prestigious 'Gold' award from the [Considerate Constructors' Scheme](#) (CCS). Some of the points noted by the CCS assessors were:

- Environmental procedures remain at a very high level
- Regular health and safety visits take place
- Traffic marshalls keep the service road clear and tidy
- There is engagement with local schools, local residents, and community groups.

## Labworth reopening

The Labworth restaurant is set to open again. The restaurant closed in October 2023 due to our works that were taking place in the area. The restaurant will be fully open to customers from the 29<sup>th</sup> May. Thank you to the owners and customers of the Labworth restaurant for their patience while we carried out our essential works in the area.

Please beware of the soft mud on the foreshore in this area which can be unstable. Please avoid where possible walking on the exposed mud at low tide which can be particularly soft.

## Latest phases diagram

TEAM2100

The latest project timings for the project can be seen in the image on the left.

A few key points to note are:

The Marine Parade Haul Road will be in operation until Autumn 2024 in the Chapman Sands phase.

Under the Thorney Bay phase on the far left of the diagram, Fisherman's Corner is noted as being open from July 2024.

We will keep you updated on all the latest timings as the project progresses.

March 2023 – March 2024 *Fisherman's Corner open July 2024	April 2023 - March 2024	September 2023 - May 2024	November 2023 - November 2024	September 2024 - May 2025	March 2024 - June 2025

## Monthly drop-in

We hold a monthly drop-in for any questions about the project that you have. The drop-in takes place at Sue's Café on Furtherwick Road on the first Wednesday of the month. Please feel free to drop-in any time between 11am and 12 noon.

## Use of drones during the project

Please note that we use drones across the project. The uses of the drones include capturing visual data for pre-condition surveys and as built surveys and capturing progress on site.

All our drone operators (pilots) are trained, Civil Aviation Authority (CAA) registered, and comply with all requirements for commercial use which vary according to the size and weight of the drone.

## Security on site

Damage to site equipment or thefts can cause delays to the completion of the programme. If you see or hear anything suspicious in or around our compounds, please contact the police and the site team emergency Balfour Beatty 24-hr helpline number: 0800 121 4444 or [help@balfourbeatty.com](mailto:help@balfourbeatty.com). If you wish to do this anonymously, please feel free to contact CrimeStoppers 0800 555 111.

We are committed to providing a professional and fair service to everyone who we work with. In return we ask that members of the public respect the project staff.

## Have you signed up for flood warnings?

These warn for the risk of flooding from rivers and sea, giving you time to prepare. You'll be alerted by phone, email or text when flooding is expected. There are three levels of flood warning:

Prepare for flooding

Flooding of homes/businesses is possible

Deep fast flowing water. Risk to life
