Canvey Island - Southern Shoreline Revetment Project Newsletter

Issue 23: 22 November 2024

Welcome!

Welcome to the twenty third edition of the newsletter for the Canvey Island Southern Shoreline Revetment Project.

This edition includes details of the progress made on site so far, the removal of memorial benches and the closure of part of Eastern Esplanade in December.

On page 3, you will find the latest working times for the project.

If you would like copies of future newsletter editions, please email: TEAM2100canveyrevetment@jacobs.com

Project webpage

The project's webpage provides a wide range of information.

It contains the latest project timings, frequently asked questions and progress images from site. The webpage can be found at the following address:

Progress from site

Over the past month we have:

- Removed the sand from Concord Beach to temporary storage at The Cherries. It will be restored to the beach prior to completion.
- Commenced the construction of the new beach access ramp at Concord Beach, including driving steel sheet piles.
- Continued the placement of OSA/LSA in Eastern Esplanade phase.
- Commenced placement of OSA/LSA at Concord Beach.
- Planted nine trees to the area next to Fisherman's Corner.
- Continued with the removal of the lower and upper haul roads and access ramps in the Chapman Sands phase. A footpath section is now open to the public.

Precast steps at Eastern Esplanade

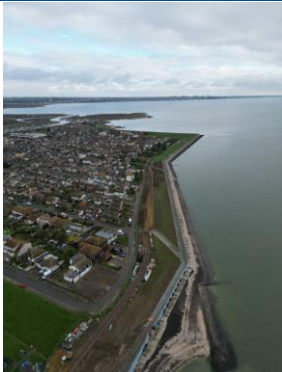

Reinstated area on the landside to Marine Parade is now open

In the coming months, we will:

- Open up further sections of the Chapman Sands phase footpath to public access.
- Continue with the placement of OSA/LSA for the Concord Beach phase.
- Continue with the construction of new precast concrete beach access steps in both the Concord Beach and Eastern Esplanade phases.
- Complete the installation of the steel sheet pile wall associated with the new beach access ramp at Concord Beach.

Christmas break: opening details

Our site will be closed from 20 December and will reopen on 2 January 2025.

Essential staff maybe visible onsite at times during this period including a 24-hour security patrol/team. However, if you see or hear anything suspicious, please do not hesitate to contact the police and the site team emergency Balfour Beatty 24-hour helpline number 0800 121 4444 or help@balfourbeatty.com.

If you wish to do this anonymously then you can contact CrimeStoppers 0800 555 111. Any damage or thefts could cause delay to the completion of the programme.

We will not be operating machinery and there will be no deliveries during the Christmas break.

Eastern Esplanade: closure due to take place on 10 December

On Tuesday, 10 December 2024, Eastern Esplanade is due to be closed from the junction of Seaview Road to our compound, which is just past Beach House Gardens, from 5.30am to 6pm. The closure is necessary to facilitate the demobilisation of a 30-metre-long reach excavator and to ensure the safety of the public and the workforce during the equipment relocation. Unfortunately, there will be no alternative routes available during this period. We have received permission for this closure from Essex County Council.

The red line on the map below shows where the closure area will be. Access for emergency service vehicles will be maintained. There will be a pedestrian diversion in place and the details will be communicated in due course. Please note that there will be signage indicating no waiting, loading, or stopping in the area. If you need to move your vehicle on this day, please ensure it is parked outside the closure area before 5:30am on 10 December.

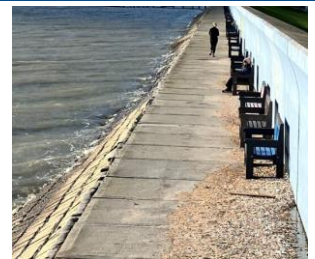

Removal of memorial benches

During the project, our site team has needed to temporarily remove the memorial benches along the seafront whilst carrying out works nearby.

We have currently removed the benches for the Chapman Sands and Concord Beach phases of the project. Once we have completed our works, we will then replace the benches as close to the original position as possible.

Thank you for your patience and cooperation while we carry out our works

Safety and security

We are committed to providing a professional and fair service to everyone who we work with.

In return, we ask that members of the public respect staff in any interactions that take place.

Damage to site equipment or thefts can cause delays to the completion of the programme.

If you see or hear anything suspicious in or around our compounds, please contact the police and the site team emergency Balfour Beatty 24-hr helpline number using the details below:

0800 121 4444 or
help@balfourbeatty.com

If you wish to do this anonymously, please feel free to contact CrimeStoppers 0800 555 111.

Use of drones during the project

Please note that we use drones across the project. The uses of the drones include capturing visual data for pre-condition surveys and as built surveys and capturing progress on site. All our drone operators (pilots) are trained, Civil Aviation Authority (CAA) registered, and comply with all requirements for commercial use which vary according to the size and weight of the drone.
