

- Notes
- All dimensions are in metres unless noted otherwise.
 - All elevations are in metres above ordnance datum (mAOD).
 - Proposed quarry levels and extents as per information received from Blackwater on 14/12/2018.

SAFETY HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following significant residual risks :-

Construction:

- Work in vicinity of potentially unknown buried services. Follow permit to dig procedure.
- Work or access on sloping ground. Work in accordance with approved safe system of work.
- Working close to water. Work in accordance with approved safe system of work.
- Presence of overhead high voltage power lines. - Power lines to be diverted during construction.
- Work near public area. Site access to restrictions to be provided.
