

“Hoveton Wetlands Restoration Project”

Partner Organisations

27th January 2021

Dear Mr Freeman,

Further to your e mail of 27th January 2021, please find attached the updated application forms Part A and Form F3.

We also submit revised form B10, omitting reference to the two structures at Gravel Dyke and Hudson’s Marsh, which you have said cannot retrospectively be considered for the permit. Please could you treat the covering letter to our application lodged on 26th January 2021 as applicable to this revised application, but omitting items 24 to 27 of the table of contents.

We look forward to receiving confirmation that the application has been duly made when you have completed your review of all submitted documentation.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'S Hardy', is enclosed in a light blue rectangular box.

Mr Scott Hardy

Project Science Officer
