The following consents, permissions and licences required under other enactments for the purposes of the powers sought in the application are being sought at the date of this application:—

A. Deemed Planning Permission

Relevant enactment: Section 90(2A) of the Town and Country Planning Act 1990

From whom sought: Secretary of State for Transport

Date of application: 23 August 2016

B. Listed Building Consent

Relevant enactment: Section 8 of the Planning (Listed Buildings and Conservation Areas) Act 1990

From whom sought: Boston Borough Council

Date of application: 23 August 2016

The application for Listed Building Consent made by the Environment Agency and referred to above at B relates to the proposed construction of a concrete flood defence wall which would physically abut the stonework structure of the Grade II listed Maud Foster Sluice to form a watertight joint.

Except as indicated above no consent, permission or licence required under any other enactment for the purposes of the powers sought in the application has been sought, obtained or refused at the date of the application.

An application will be made to the Marine Management Organisation for a marine licence under Part 1 of the Marine and Coastal Access Act 2009 to authorise those works which constitute licensable marine activities under section 66(1) of that Act.
Applications for other necessary consents, permissions and licences, including any environmental permits under the Environmental Permitting (England and Wales) Regulations 2010, will be made at the appropriate time.
