

4.4. Application for multiple activities under one permit

If you are applying for a permit that covers more than one type of activity described in the relevant Application Charge table in the scheme, the charge you have to pay is the sum of the activities.

The activity with the largest charge will be charged as 100% of that charge in the relevant Application Charge table.

Secondary activities which are reasonably associated to the principal activity will be charged at a reduced fee of 50% of the activity to take account of the common tasks involved during the determination such as consultation, operator competence checks, etc.

A reduced fee of 10% of the new charge for an activity will be charged if that activity is carried out multiple times on the same site.
