

4.9.3 Radioactive Substances Regulation non-nuclear Sites

The proposed permit categories and baseline charges for the radioactive substances regulation - non-nuclear sites can be found in the tables of charges in the schedule to the charging scheme. Charges relating to permitting applications are in Part 1.2 of the application charges table; annual compliance charges are found in Part 2.2 of the subsistence charges table.

Increasing the charges will maintain our resources to make sure we can continue to regulate the security of radioactive sources while holding data on those sources in a secure IT environment. This is a benefit both to society and to the sector as misuse of a radioactive source would have severe consequences.
