

Challenges and Choices 2020

Date: October 2020

The Challenges and Choices consultation closed for comment in September 2020. You can now access the content from the consultation via the links in this document.

The [Challenges and Choices PDF](#) document contains all the content from the pages of the online consultation. Audio/visual content is still accessible via links in the Challenges and Choices PDF document, where they are hosted on the Environment Agency's YouTube channel. Should these links not work, searching [YouTube](#) for '[Small Changes, Big Picture](#)' will bring up all the videos used in the consultation.

Hyperlinks to other websites in the Challenges and Choices PDF document will still work, however, links to the more detailed information documents will no longer be active. These documents can now be accessed via the links on the following page. The title of the document you wish to view from the consultation will match the title listed.

If you have any questions regarding the content, or difficulty accessing this information, please contact:
