

Draft Flood Risk Management Plans

Consultation on draft flood risk management plans: 22 October 2021 – 21 January 2022

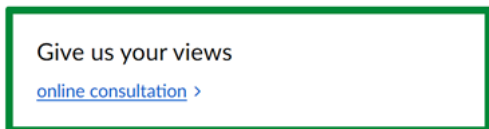

A step-by-step guide to the consultation pages

1. Flood risk management plans (FRMP) landing page

- The main FRMP consultation landing page can be found here [Draft Flood Risk Management Plans - Environment Agency - Citizen Space \(environment-agency.gov.uk\)](https://www.environment-agency.gov.uk/draft-flood-risk-management-plans)
- This introduces you to the plans and provides some background.

- At the end of the landing page there is a link which says this below. Please click on this within the page

2. Introduction and guide to the documents

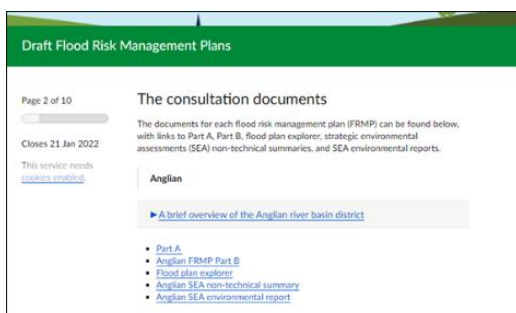

- Once you have clicked on the link above, you will arrive on the page called ‘Introduction and guide to the documents’.
- Here is the link [Draft Flood Risk Management Plans - Page 1 of 10 - Environment Agency - Citizen Space \(environment-agency.gov.uk\)](https://environment-agency.gov.uk)
- This gives you some background on each of the consultation documents we are consulting on.

- Here are the consultation documents:
 - **Draft Part A:** A high level overview of FRMPs, which is relevant to all 10 FRMPs (draft part B), and should be read alongside them.
 - **Draft Part B:** The 10 draft FRMPs for each river basin district (RBD).
 - **Flood Plan Explorer:** A new interactive mapping tool, where you can discover information about all the proposed measures within each FRMP (draft part B).
 - **Strategic environmental assessment non-technical summaries:** A summary of the environmental report for each FRMP.
 - **Strategic environmental assessment reports:** Present the findings of the strategic environmental assessment (SEA) carried out as part of the preparation for each FRMP.
- Once you have read this page, please click ‘**continue**’ at the end of the page.

3. The consultation documents

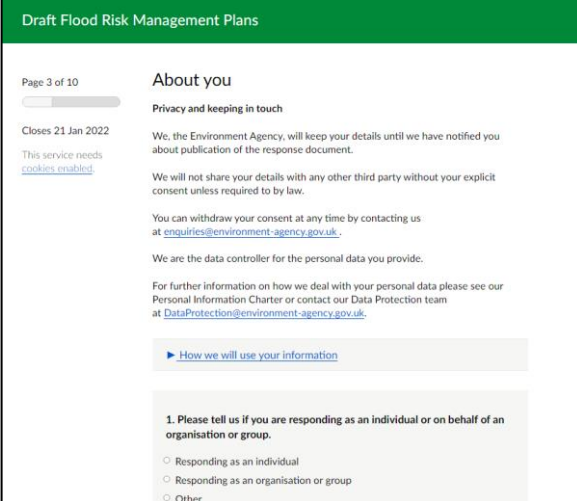

- Once you have read the above page and clicked ‘**continue**’ this will take you to a page called ‘**The consultation documents**’.
- Here is the link [Draft Flood Risk Management Plans - Page 2 of 10 - Environment Agency - Citizen Space \(environment-agency.gov.uk\)](https://environment-agency.gov.uk)
- This is where you will find all the links to the full FRMP consultation documents. For example, for the Anglian RBD there are links to Part A (national overview), Part B (draft Anglian FRMP), Flood Plan Explorer (search the measures in the Anglian RBD), the Strategic environmental assessment non-technical summary, and the Strategic environmental report for Anglian.

- Each of the consultation documents should open in separate windows to allow you to look at them side by side.
- Once you have read this page, please click ‘**continue**’ at the end of the page.

4. The consultation questions

- Once you have read the above page and clicked '**continue**' this will take you to the start of the consultation questions, with the first questions being 'About you'. - The FRMP and strategic environment report questions then follow on from this, and all relate to the FRMP consultation documents on the previous pages (as described above).
- For each question there is a dropdown box which says '**Where to find more information to help you answer this question**'. Within the dropdown there are links back to each of the consultation documents and some pages references.
- You can also choose to answer nationally (responding to the FRMPs as whole) for individual FRMPs, or for more than one FRMP.
