Response Form
Ponteland Integrated Flood Scheme

We welcome your views on the Ponteland Flood Scheme. Please use this form if you are responding by email or post rather than online.

Please complete the questions and where there is a free text field, give as much information as possible to support your answer.

How we will use your information
The Environment Agency will look to make all responses publicly available during and after the consultation, unless you have specifically requested that we keep your response confidential.

We will not publish names of individuals who respond.

We will also publish a summary of responses on our website in which we will publish the name of the organisation for those responses made on behalf of organisations.

In accordance with the Freedom of Information Act 2000, we may be required to publish your response to this consultation, but will not include any personal information. If you have requested your response to be kept confidential, we may still be required to provide a summary of it.

The Environment Agency is the data controller for the personal data you provide. For further information on how we deal with your personal data please see our Personal Information Charter on gov.uk (https://www.gov.uk/government/organisations/environment-agency/about/personal-information-charter) or contact our Data Protection team.

Address: Data Protection team, Environment Agency, Horizon House, Deanery Road, Bristol, BS1 5AH
