Dear Ms Jobling,

### **Environmental Permitting (England and Wales) Regulations 2016**

**Application reference: EPR/WE8923AB/V004**

**Operator: DUNTON TECHNOLOGIES LIMITED**

**Facility: Bridge Street North Waste Treatment Facility, BRIDGE STREET NORTH, SMETHWICK, B66 2BZ**

Thank you for your application received on 16/04/2025. Unfortunately your application is incomplete because of the point listed below. We're returning your application so you can complete it.

**- We are unable to locate your additional payment of £10,436 as mentioned in Mr Glasgow's email to us. (We have received your first payment of £7930 and attributed this to the application). Please provide remittance / proof of payment within 10 working days otherwise your application will be returned to you.**

When we receive your completed application we'll check the details to see if it can be 'duly made'. We'll write and let you know this outcome once we have completed our checks. Duly made means that we have all the information we need to begin determination. Determination is where we assess your application and decide if we can allow what you've asked for.

If you email or write to us please quote the above application reference on any correspondence and send it to:
