Hi Gail,

I've left you a voicemail message this morning, are you available to discuss this application? I'm around today and tomorrow (I have meetings off and on so will get back to you if you ring during one of those) then back next Tuesday.

I've attached the original request for information (and fees) again, which does explain what we need from you, and as

it's likely you'll need a further extension to supply this information I will set a deadline of 10 working days, 31/08/23, for you to submit this.

Unfortunately if I don't receive the responses and fees requested in the attached, I will have to return the application as not duly made, and we may retain part of the application fee.

Kind regards,  
Kate

Hi Gail,

I'll give you a call to discuss, do you need a further extension to supply the required information? I did send you a further email on 03/08/23 saying I would extend the deadline for response to today 15/08/23.

Please see attached the original email for reference (and which you should reply direct to when responding, with me copied in), which includes all the information we still require before I can duly make the application and proceed with the determination.

Kind regards,  
Kate

Apologies Kate for my delay I had missed this email completely.

Can we discuss this as I am confused as to what is now required.

Thanks

Hi Gail,

I am just checking you received the attached email sent to you on 19/07/23 and whether you intend to respond soon, or need more time. I am only in work until Thursday this week then off 4<sup>th</sup> – 14<sup>th</sup> August and so to enable me to check your responses and, if acceptable, arrange for the application to be duly made, sent out on consultation and advertised on our website, it would be good to have the responses as soon as possible. However if you need more time, let me know and I can extend the deadline, and action on my return, with the duly made date backdated to when the additional information and fees were received.

Please give me a call if you need to discuss anything further.

Kind regards,  
Kate
