For the attention of [REDACTED]

Dear [REDACTED]

Endless Energy EPR/ZP3537AT/A001

In response to your question regarding the site operator, in your Schedule 5 notice of 15th July.

Following discussions with you we can confirm that Endless Energy Ltd, registered in the Isle of Man, will retain the role of Site Operator.

In undertaking this role Endless Energy Ltd understand that they must be in control of the day to day operations at the site and they can confirm that they will have an appropriate management team in place, so that they are able to:

- Control day to day operations;
- Make sure permit conditions are complied with;
- Make decisions regarding critical staff roles, including if necessary, firing staff;
- Make investment decisions with regard to the site's performance; and
- Ensure an appropriate response to possible emergencies.

To facilitate this Endless Energy will use their wholly owned subsidiary, Endless Energy (Keighley) Ltd, to provide a UK address to which the Environment Agency can serve any formal documentation.

This address will be:

Endless Energy (Keighley) Ltd, 21a Victoria Mews Mill Field Road, Cottingley Business Park,
Bingley, United Kingdom, BD16 1PY.

Yours sincerely

for Wardell Armstrong LLP
