Notes

1. This plan is to be read in conjunction with all relevant drawings and specifications associated with the Former Kruger Mills works.
2. All topographic survey data detailed on this plan was extracted from drawing 'RP001/100 dated Nov 2008' provided by RJP Surveying Consultants.
3. The contours detailed on this drawing are the interpretation of Urban Regen Ltd. using the topographic survey information detailed on drawing 'RP001/100'.
4. The contours detailed below building footprints represent the slab levels of the associated building.
5. Trees / vegetation have been omitted for clarity.
6. The tip boundaries as detailed are approximates only. No definitive drawings have been found detailing the actual boundaries.
