Re: Application for an Environmental Permit for the Ford Circular Technology Park (Ref: EPR/MP3904BD/A001)

On behalf of Ford Energy from Waste Limited, please find enclosed an updated application pack to support the application for an Environmental Permit (EP) for the Ford Circular Technology Park (EPR/MP3904BD/A001).

The application was previously submitted on 1 July 2020. It is understood that this application is currently in the work queue awaiting allocation to a Permitting Officer.

Within this letter we enclose the updated EP application pack. The updated EP application pack includes the following documents/files:

1. Application forms;
2. Modelling files;
3. Non-technical Summary;
4. Supporting Information including;
 - a. Appendix A – Plans and Drawings;
 - b. Appendix B – Site Condition Report;
 - c. Appendix C – Noise Assessment;
 - d. Appendix D – Environmental Risk Assessment;
 - e. Appendix E – Air Quality Assessments;
 - f. Appendix F – BAT Assessment;
 - g. Appendix G – CHP Assessment;
 - h. Appendix H – Fire Prevention Plan; and
 - i. Appendix I – Planning Application.

For the avoidance of doubt, the updated EP application pack enclosed with this letter should replace the original EP application pack submitted on 1 July 2020.

Finally, the application fee has been paid by electronic transfer in two parts (remittance details provided in Form F1). If you have any questions, please contact either of the undersigned.

Yours sincerely
