

Hi Emma, thanks for that

I've attached a summary of the changes. We'll submit revised site drawings and updated COTC holder in due course

Andy

Hi Andrew,

Thanks for your time earlier today.

To confirm, I'll be the Permitting Officer for the above application. If there are any queries you may have please do not hesitate to get in touch. You mentioned that there had been some changes to the site plans since submitting the application. I have the updated site plan submitted in December 2022 but if there's anything else you'd like to provide then please do so by return email and I'll ensure that it's added to the application folder. If there's any other additional information we require for duly making I'll be in touch to request this,

Many thanks

Emma
