

WASTE ENQUIRY PRE-ACCEPTANCE ASSESSMENT

SECTION 1:

Date:		Originator:			
Company Name:		Existing Customer:	Y	N	
Description of Waste:					

SECTION 2:

A) Do we have a description of the waste that identifies the hazard(s) to help determine disposal route?		Y	N	
B) Do we have a chemical breakdown for waste items where it is required for onward disposal?	N/A	Y	N	
C) Do we have MSDS for the waste?	N/A	Y	N	

If **YES** or **N/A** to all of the above: Provide additional information in the box below and then proceed to **SECTION 4**

If **NO** to any of the above: Proceed to **SECTION 3**

--

SECTION 3:

Contact customer/research to gain further information in order to fully complete **SECTION 2**

(**DO NOT** proceed to **SECTION 4** until **SECTION 2** has been completed)

Notes:

--

SECTION 4:

Do we have a suitably permitted disposal outlet for this waste?		Y	N	
--	--	---	---	--

If **YES**, where?

If **NO**, **DO NOT** proceed to quote until a disposal outlet has been identified.

Is the information recorded above now sufficient in order to proceed to quote?		Y	N	
---	--	---	---	--

Quote Conditions:

If **YES**, proceed to **SECTION 5**

If **NO**, decline enquiry.

SECTION 5: (To be completed by authorised Grundon personnel ONLY) This signatory must differ from originator of form

Declaration: If all of the above recorded information has been checked and verified, in order for a quotation to be issued in line with the Grundon Pre-Acceptance Procedure, please sign below:
