Good Afternoon,

Please find attached application to vary Environment Permit EPR/PP3099FM.

A permit variation application is being submitted in order to:

- Expand the footprint of the site;
- Update the location of the existing point source emission to air;
- Add a new point source emission to air;
- Add additional point source discharges to sewer;
- Include a pre-shredder.

This application is comprised of 3 emails due to the size and number of documents attached.

Should you require any further information in support of this application then please do not hesitate to contact me. I look forward to your receipt of the application.

Regards
