Dear Mrs Griffin

Award of Vocational Qualification (VQ)

May I take this opportunity to congratulate you on gaining your Vocational Qualification, which is enclosed. Your achievement is the result of a considerable amount of hard work and effort. The certificate formally recognises the competence you have achieved within the waste management sector.

As part of a process of continuous improvement I would be grateful if you would spend a few minutes to complete the attached feedback form. Your comments will be used in confidence to refine the existing WAMITAB framework to ensure it continues to deliver vocational qualifications in a cost effective way. Thank you for your co-operation in completing the feedback form.

We hope the certificate will provide the basis for the on-going development of your waste management skills in the industry, and would remind you of the need to maintain your competence over time. For further information contact WAMITAB or visit the 'Continuing Competence' section of our website.

Yours sincerely

Chris James
Chief Executive Officer
