Good afternoon

Please find attached the application form to vary our existing permit for Mechanical Biological Treatment (MBT) EPR/AP3339XG to add waste transfer as an activity in accordance with the attached confirmation email MBT LEP extension correspondence dated 17 January 2023.

This application is related to the current Waste Reception currently operating under an approved LEP that is due to expire 17 February 2023 and is in place whilst BATC improvement works take place.

An additional email will follow this application with the various documents as listed in Part F1, all other additional documents, plans risk assessments etc should already be retained on the Environments Agencies data record system from permit application and previous correspondence.

Please contact me at your earliest convenience to arrange a credit card payment of £6,992.00 as per application.

Kind Regards Kevin
