Good afternoon,

Please find below a Dropbox link to a permit application for Enviroo Project Co Limited. This is a resubmitted application. We have been advised that the application will be expediated and will be allocated to the same officer for validation (Naomi Daniel).

The Operator has paid ?33,806.40 via BACs transfer under payment reference PSCAPPENVIR419.

The application fee provide is sufficient to cover the now agreed application fee (including that for review of the DEMP) and the Agency's costs associated with the Duly Making process of the original application. We calculate the following: application fee paid ?33,806.40 – duly making costs ?1,613.00 – agreed fee (inc. DEMP) ?23,607.00 = ?8,586.40 to be refunded.

Let me know if you have any questions.

Kind regards,
