Jacobs File Transfer System

Sandra.Pugh@jacobs.com has sent you a file archive, with the following message:

Dear PSC,

Please use the link below to access documents in application of a new permitted activity for an existing biological treatment installation at Ellesmere Port WwTW on behalf of United Utilities Water Ltd, which is to be added to Permit No EPR/ZP3031LJ.

This application has been made in accordance with the implementation of IED and is expected to be coordinated by the dedicated EA team (as per cc. Sarah Raymond). The following documents have been provided:

1. Application Form Parts A, C2, C3, C6 and F1
2. UUW List of Directors July 2022
3. List of Relevant Offences for United Utilities Water Limited
4. Application Support Document (ASD) with associated Appendices
5. Attachments comprising:
 - Att 1. Ellesmere Port Residue Management Plan
 - Att 2. Environmental Quantitative Risk Assessment Report
 - Att 3. Secondary Containment Modelling Assessment (incl. ADBA Tool)
 - Att 4. BAT Improvement Programme
 - Att 5. Odour Management Plan
 - Att 6. Waste Characterisation and Acceptance Procedure
 - Att 7. Leak Detection and Repair Plan SSI
 - Att 8. Odour Impact Assessment
 - Att 9. Accident Management Plan
 - Att 10. Energy Review
 - Att 11. Sampling Instruction
 - Att 12. UUW Lingley Mere Laboratory UKAS Schedule of Accreditation
 - Att 13. Primary Digestion Foaming SSI

An application fee of £19,974.00 will be made by BACS with the reference PSCAPP UUWIED 013. The payment is currently being processed and is expected to be completed during w/c 19th September 2022. If you have any problems locating the payment please let Andrew Padgett and myself know.

If there are any problems with the link or documents provided please do not hesitate to contact Andrew Padgett or myself.

Kind regards

Sandra Pugh
