Candidate No. 6131

Dear Mr Haddock

Award of Certificate of Continuing Competence

Please find enclosed your Continuing Competence Certificate. The Continuing Competence Certificate (CCC) is awarded as part of the competence scheme developed jointly by WAMITAB and the Chartered Institution of Wastes Management (CIWM) and approved by Defra and the Welsh Assembly Government.

May I take this opportunity of congratulating you on passing the test for this award which provides evidence on how you maintain your competence(s) over time and meets the specific requirements of The Environmental Permitting Regulations 2007 (and any subsequent amendments). For further information on the validity of this Certificate contact WAMITAB or visit the 'Continuing Competence' section of our web site.

Competence periods are fixed 2-year periods, not two years from the date of achievement. The actual start of the first two year period was 1 March 2009, however, due to an extension granted by Defra/WAG/EA the initial period was extended by 12 months to 29 February 2012. This certificate will have to be renewed by taking another test between 1 March 2012 and 28 February 2014.

As a joint scheme I have enclosed some additional information which you may find of interest.

Yours sincerely

Lawrence Strong
