Hi John

Application: EPR/WE3672AB/A001

Operator: Devoll Meco

Facility: EPR/WE3672AB/A001

Thanks for our phone conversation today about this permit application.

The application is for a household, commercial and industrial waste transfer station (charging reference 1.16.6). This type of activity is allowed to accept non-hazardous waste and wastes from electrical and electronic equipment. However your list of waste codes includes hazardous wastes. You said that you wanted to remove any hazardous wastes from your list. Please replying to this email to confirm that you agree to the following wastes being removed.

16 08 07* spent catalysts contaminated with hazardous substances

16 10 01* aqueous liquid wastes containing hazardous substances

16 10 03* aqueous concentrates containing hazardous substances

16 08 05* spent catalysts containing phosphoric acid

16 11 01* carbon-based linings and refractories from metallurgical processes containing hazardous substances

16 11 03* other linings and refractories from metallurgical processes containing hazardous substances

16 11 05* linings and refractories from non-metallurgical processes containing hazardous substances

17 01 06* mixtures of, or separate fractions of concrete, bricks, tiles and ceramics containing hazardous substances

17 02 04* glass, plastic and wood containing or contaminated with hazardous substances

When we receive your response we will be able to continue dealing with your application.

Thanks for your time and assistance.

Kind regards.

Joanne
