Dear James,

I have started to look through the Not Duly Made response you submitted on 31 January 2019. I see that on this Form Part F1 the box about confidentiality remains ticked; however, you previously advised us that it had been ticked in error.

Please advise me whether you would like us to consider part of the application, for example the Statement of Intent, to be confidential.

Regards,

Sue Irons

Hi James

Firstly I apologise. Our telephone lines have been hijacked and we are trying to fix this with BT.

The confidentiality tick on the Part F1 form was in error please ignore.

It is now 15:10. I will call the team number (T: 0203 0253898) from my mobile.

Once we have the phone lines back we will be able to communicate more efficiently.

Best regards

Hi James,

I received your voicemail after I came back from lunch and I've attempted to call back a couple of times but been unable to get through.

I do need to leave the office at 3pm today but if you need to speak with someone ASAP, please contact our team number where someone will be on the phones until 5pm. You can reach us through 0203 0253898 and all of our team are able to answer questions and provide the same information. If there's anything I need to know specifically for the logging of this application, this will be relayed to me first thing tomorrow.

Alternatively, I can try and speak with you tomorrow, though I do have a couple of meetings and may be away from my desk at times.

Whilst I am typing an email so that I can put it in writing; I have noticed that on Form Part F1 you have ticked the box to request confidentiality of the application. Can you please confirm if this was ticked in error as I have seen no further mention of confidentiality requests? Otherwise, if you do have a claim for confidentiality, you would need to provide a letter/email detailing which parts of the application are subject to the claim and some supporting information as to why so that our permitting team can make a decision based on this.

Kind regards,

James Grant

Importance: High

Hi Viktoria

Thanks you for the information. I have replied (also to PSC) with the Part B2 form which might have been omitted previously.

Do you have any idea when James Grant will contact me? You originally seemed to suggest I would be contacted either yesterday or today on this.

Best regards

Good morning James,

Please find attached the finished pre-application advice letter.

Please note that although your application is now with the right department and being processed they are unable to progress with it until you complete the full payment.

My colleague James Grant from PSC will contact you shortly to assist you with this.

Thank you.

Kind regards,

Viktoria
