

Non Technical Summary

1.0 INTRODUCTION

This Non-Technical Summary supports the application for the variation of permit reference EPR/KB3036RR. The facility is operated by Dunmow Skips Limited (company number: 04300744) and is located at Essex Regiment Way, Little Waltham, Chelmsford CM3 3PZ.

The site is a Household Commercial and Industrial (HCI) waste transfer station with hazardous waste and WEE storage.

2.0 VARIATION DETAILS

The current permit states in Schedule 2 Table 2. that:

- All bulking or transfer of non-hazardous waste must be carried out inside a building;
- All non-hazardous waste must be stored within a building or secure container and must be kept on an impermeable surface with sealed drainage;
- Hazardous wastes must be kept within a secure container, and either be kept within a building or on an impermeable surface with sealed drainage; and

The Operator would like to vary the permit to allow the following activities:

- (1) The storage of segregated¹ non-hazardous waste streams outdoors, including receipt of single-source and reloading for transfer. All non-hazardous waste streams will be stored within a 3 sided enclosure on a sealed surface.
- (2) The storage of inert waste streams outdoors, including receipt and reloading for transfer. The inert waste streams will be stored within uncovered bays.
- (3) Treatment of wood (chipping) within an outdoor concrete bay beneath a three-sided enclosure with a sealed surface.

All waste streams will continue to be stored on impermeable concrete hardstanding with a sealed drainage system. The waste treatment activities will remain within the enclosed building, except for the wood chipping treatment which will occur outdoors beneath a three-sided enclosure. There has been no changes to the type of waste accepted at the site or the overall quantity.

The Operator has provided the following documents for review as part of this permit application:

- Dunmow Skips Limited, *Chelmsford Waste Transfer and Waste Treatment Depot: Site Specific Environmental Management System*
- Dunmow Skips Limited, *Chelmsford Waste Transfer and Waste Treatment Depot: Emissions Management Plan*
- Dunmow Skips Limited, *Chelmsford Waste Treatment Facility: Fire Prevention Plan*

¹ Either segregated-at-source, or segregated at the site within the building.
