Dear Mr Smyth

Transfer of permit

Permit No: PRENF/19402
Operator: Konings Juices and Drinks UK Limited
Facility: Hill Farm

Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from Walkers Snack Foods Limited to Konings Juices and Drinks UK Limited will take effect from 21/10/2016.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit you must contact your local office to get one. Telephone our Customer Contact Centre on **03708 506 506** and they will put you in touch with an area officer.

Your permit says you must have a management system to demonstrate you are not causing pollution. Look at the following guides to help you understand how to meet the conditions of the permit.

If you don't have internet access our Customer Contact Centre can help you find the information you need.

If you wish to keep your records at a site other than that of the facility, you will need to tell your local area officer within 20 working days of receiving this letter. If you do not hear back from them within a further 20 working days please take this to mean we have agreed your record keeping location.

If you have any questions about billing please contact our Finance Service Centre on 0845 607 0330.

If you have any other questions about the permit please phone the Customer Contact Centre.

Yours sincerely
