# Application for an environmental permit Part B2 - General - new bespoke permit

Fill in this part of the form together with parts A and F1 if you are applying for a new bespoke permit. You also need to fill in part B3, B4, B5, B6, or B7 (this depends on what activities you are applying for).

Please check that this is the latest version of the form available from our website.

You can apply online for: waste operations; medium combustion plant; and specified generator bespoke environmental permits at <a href="https://apply-for-environmental-permit.service.gov.uk/start/start-or-open-saved">https://apply-for-environmental-permit.service.gov.uk/start/start-or-open-saved</a>

Please read through this form and the guidance notes that came with it.

The form can be:

- 1) saved onto a computer and then filled in.
- 2) printed off and filled in by hand. Please write clearly in the answer spaces

It will take less than two hours to fill in this part of the application form.

#### **Contents**

- 1 About the permit
- 2 About the site (excludes mobile plant)
- 3 Your ability as an operator
- 4 Consultation
- 5 Supporting information
- 6 Environmental risk assessment
- 7 How to contact us

Appendix 1 – Low impact installation checklist

Appendix 2 – Date of birth information for Relevant offences and/or Technical ability questions only

### 1 About the permit

#### 1a Discussions before your application

If you have had discussions with us before your application, give us the permit reference or details on a separate sheet. Tell us below the reference you have given this extra sheet.

Permit or document reference

EPB2 Version 18, Aug 2022 Page 1 of 14

1	Abo	ut the p	permit, continued
1b	b Is the permit for a site or for mobile plant?		
	Mobile	plant	Now go to <b>question 1c</b>
<b>/</b>	Site		Now go to section 2
Not	te: The t	erm 'mob	ile plant' does not include mobile sheep dipping units.
Мо	bile pla	nt only	
<b>1c</b>		•	ou during pre-application discussions that we believe that a mobile permit is ur activity?
<b>√</b>	No		
	Yes		
1d	Have	there bee	n any changes to your proposal since this discussion?
<b>√</b>	No	Now go to	section 3
			d send us a description of the activity you want to carry out, highlighting the ou have made since our pre-application discussions
Do	cument	reference	
Nov	w go to g	section 3

# 2 About the site (excludes mobile plant), continued

Regulated facility 2
National grid reference
What is the regulated facility type?
☐ Installation
☐ Waste operation
☐ Mining waste operation
☐ Groundwater activity (point source)
Groundwater activity (discharge onto land)
Use several copies of this page or separate sheets if you have a long list of regulated facilities. Send them to us with your application form. Tell us below the reference you have given these extra sheets.
Document reference
Now go to <b>question 2d</b>
2d Low impact installations (installations only)
Are any of the regulated facilities low impact installations?
✓ No
Yes If yes, tell us how you meet the conditions for a low impact installation (see the guidance notes on part B2 – Appendix 1).
Document reference
☐ Tick the box to confirm you have filled in the low impact installation checklist in <b>appendix 1</b> for each regulated facility
2e Treating batteries
Are you planning to treat batteries? (See the guidance notes on part B2.)
✓ No
Yes Tell us how you will do this, send us a copy of your explanation and tell us below the reference you have given this explanation
Document reference for the explanation

EPB2 Version 18, Aug 2022 Page 4 of 14

# 2 About the site (excludes mobile plant), continued

2f Ship re	ecycling
Is your activ	ity covered by the Ship Recycling Regulations 2015? (See the guidance notes on part B2.)
<b>✓</b> No	
	ell us how you will do this. Please send us a copy of your explanation and your facility ecycling plan, and tell us below the reference numbers you have given these documents
Document re	eference for the explanation
	eference for the facility recycling plan
2g Multi-	operator installation
	a multi-operator site (that is there is more than one operator of the installation) then fill in low the application reference for each of the other permits.
Table 1 – Ot	ther permit application references
3 Your	ability as an operator
If you are on fill in <b>questi</b>	nly applying for a standalone water discharge or for a groundwater activity, you only have to on 3d.
3a Releva	ant offences
	ll except standalone surface water discharges and groundwater discharges (see the otes on part B2).
3a1 Have y	ou, or any other relevant person, been convicted of any relevant offence?
<b>✓</b> No N	low go to <b>question 3b</b>
☐ Yes P	lease give details below

EPB2 Version 18, Aug 2022 Page 5 of 14

Nai	ne of the relevant person		
	Title (Mr, Mrs, Miss and so on)		
	First name Last name		
	Position held at the time of the offence		
	Name of the court where the case was dealt with		
	Date of the conviction (DD/MM/YYYY)		
Offence and penalty set			
	Date any appeal against the conviction will be heard (DD/MM/YYYY)		
	ecessary, use a separate sheet to give us details of other relevant offences and tell us below the erence number you have given the extra sheet.		
No۱	v go to <b>question 3b</b>		
Ple	ase also complete the details in <u><b>Appendix 2</b></u> .		
3b	Technical ability		
Rel	evant waste operations only (see the guidance notes on part B2).		
	ase indicate which of the two schemes you are using to demonstrate you are technically competent to trate your facility and the evidence you have enclosed to demonstrate this.		
ESA	/EU skills		
Ple	ase select one of the following:		
<b>√</b>	I have enclosed a copy of the current Competence Management System certificate		
or			
	We will have a certified Competence Management System within 12 months and have enclosed evidence of the contract with an accredited certification body		

EPB2 Version 18, Aug 2022 Page 6 of 14

#### **CIWM/WAMITAB** scheme

Your answers below must relate to the person(s) providing technically competent management when the permitted activities start.

Please select **one** of the following: I have enclosed a copy of: the relevant qualification certificate/s or evidence of deemed competence or Environment Agency assessment or evidence of nominated manager status under the transitional provisions for previously exempt activities and, if deemed competent or Agency-assessed, or nominated manager, or if the original qualification is over two years old: ☐ I have enclosed a copy of the relevant current continuing competence certificate/s ightharpoonup The technically competent manager will complete their qualification within four weeks of starting the permitted activities and I have enclosed evidence of their registration with WAMITAB or their EPOC booking as appropriate For medium- and high-risk tier activities other than landfill The technically competent manager will complete the qualification within 12 months and I have enclosed evidence of their registration with WAMITAB and, where relevant, EPOC booking. I understand they must complete either four specified units of the relevant qualification or an EPOC within four weeks of the permitted activities commencing For each technically competent manager please give the following information. If necessary, use a separate sheet to give us these details and tell us below the document reference you have given the extra sheet. Title (Mr, Mrs, Miss and so on) MR

First name

KASHAN

Phone

O2476 351111

Email

enquiry@crownwaste.co.uk

EPB2 Version 18, Aug 2022 Page 7 of 14

Please provide the environmental permit number/s and site address for all other waste activities that the proposed technically competent manager provides technical competence for, including permits held by other operators. Continue on a separate sheet as required.

Permit number	Site address	Postcode
EP3192FU/V005	Pool Road Industrial Estate, Pool Road, Nuneaton, Warwickshire	CV10 9AE
EB3600XV/V002	Judkins Landfill Site, Tuttle Hill, Nuneaton, Warwickshire	CV10 OHR

Document reference	
Now go to <b>question 3c</b>	
Please also complete the details in <b>Appendix 2</b> .	

#### 3c Finances

Installations, waste operations and mining waste operations only.

Please note that if you knowingly or carelessly make a statement that is false or misleading to help you get an environmental permit (for yourself or anyone else), you may be committing an offence under the Environmental Permitting (England and Wales) Regulations 2016.

Do you, or any relevant person, or a company in which you (or they) (or any relevant person) were a relevant person, have current or past bankruptcy or insolvency proceedings against you?

<b>✓</b> No	
☐ Yes	Please give details below, including the required set-up costs (including infrastructure), maintenance and clean up costs for the proposed facility against which a credit check may be assessed

We may want to contact a credit reference agency for a report about your business's finances.

#### **Feedback**

(You don't have to answer this part of the form, but it will help us improve our forms if you do.)

We want to make our forms easy to fill in and our guidance notes easy to understand. Please use the space below to give us any comments you may have about this form or the guidance notes that came with it.

How long did it take you to fill in this form?

We will use your feedback to improve our forms and guidance notes, and to tell the Government how regulations could be made simpler.

Would you like a reply to your feedback?

Yes please

No thank you
