14 December 2018

Dear Sir/Madam,

Ref: Cory - Riverside Energy Park - EPR/GP3535QS/A001

On behalf of Cory Environmental Holdings Limited (trading as Cory Riverside Energy), please find enclosed an application for an Environmental Permit for the Riverside Energy Park (REP).

As required by Application Form F1, an email has been sent to the Permitting Support Centre containing a link to the electronic application pack.

The application pack contains the following documents:

1. The application forms – Parts A, B2, B3 and F1;
2. The supporting information (ref: S2383-0320-0004NP) with nine appendices;
 - a. Appendix A – Plans and Drawings;
 - b. Appendix B – Site Condition Report;
 - c. Appendix C – Noise Assessment;
 - d. Appendix D – Air Quality Assessments;
 - e. Appendix E – BAT Assessment;
 - f. Appendix F – CHP Assessment;
 - g. Appendix G – Fire Prevention Plan;
 - h. Appendix H – Environmental Risk Assessment;
 - i. Appendix I – Odour Management Plan;
3. Modelling input files; and
4. Environmental Statement.

Finally, as identified in application form F1, the application fee will be paid by electronic transfer.

Yours faithfully

FICHTNER Consulting Engineers Limited

James Sturman
