Dear Mrs Ryan-Evans,

You asked to revoke (give up) two water abstraction licences

Licence numbers: 03/28/24/0094 and 03/28/24/0079

Thank you for your applications to revoke (give up) the above licences. I can confirm that we carried this out and this applies from 30 June 2014.

I would like to remind you that you are no longer legally allowed to abstract water from the place and for the purposes stated in the licence. If you want to abstract water again you may need to apply to us for a new licence. Any new application will normally have to be advertised and there is no guarantee that the application will be successful. Contact the Water Resources Permitting Support team on 0114 289 8340 to find out how likely you are to be granted a successful application in the future.

You will need to tell us how much water you abstracted until the licences were revoked (given up). We will send you a form to fill in and return to us within 28 days of the date of this letter.

For health and safety reasons, and to avoid groundwater becoming contaminated, if you are not going to use the well or borehole, we advise you put it out of use by following the steps in the enclosed leaflet.

Your licences were revoked (given up) from the date we received your request, but you are still liable for the charges until that date. We will send you a revised account shortly.

Yours sincerely
