

Responsibility is not accepted for errors made by others in scaling from this drawing.
All construction information should be taken from figured dimensions only.

0mm 50mm 100mm

- Notes
1. Layout as shown is for guidance only. Actual layout to be the responsibility of the contractor.
 2. Additional drainage detail is shown which is beyond the scope of the effluent plant contract. This is shown to provide additional background information.
 3. Document reference WIL_01_FPAW_4_AW_UP_LA_XX_ENTWG (EPP performance Specification 01) and the EPP drawing reference: WIL_01_FPAW_4_AW_UP_PF_XX_ABW)
 4. Foul domestic waste joins the trade effluent discharge line after the trade effluent sampling point prior to entering the STW sewer. This is not part of the scope and is not shown on this drawing.
