

KEY LEGEND

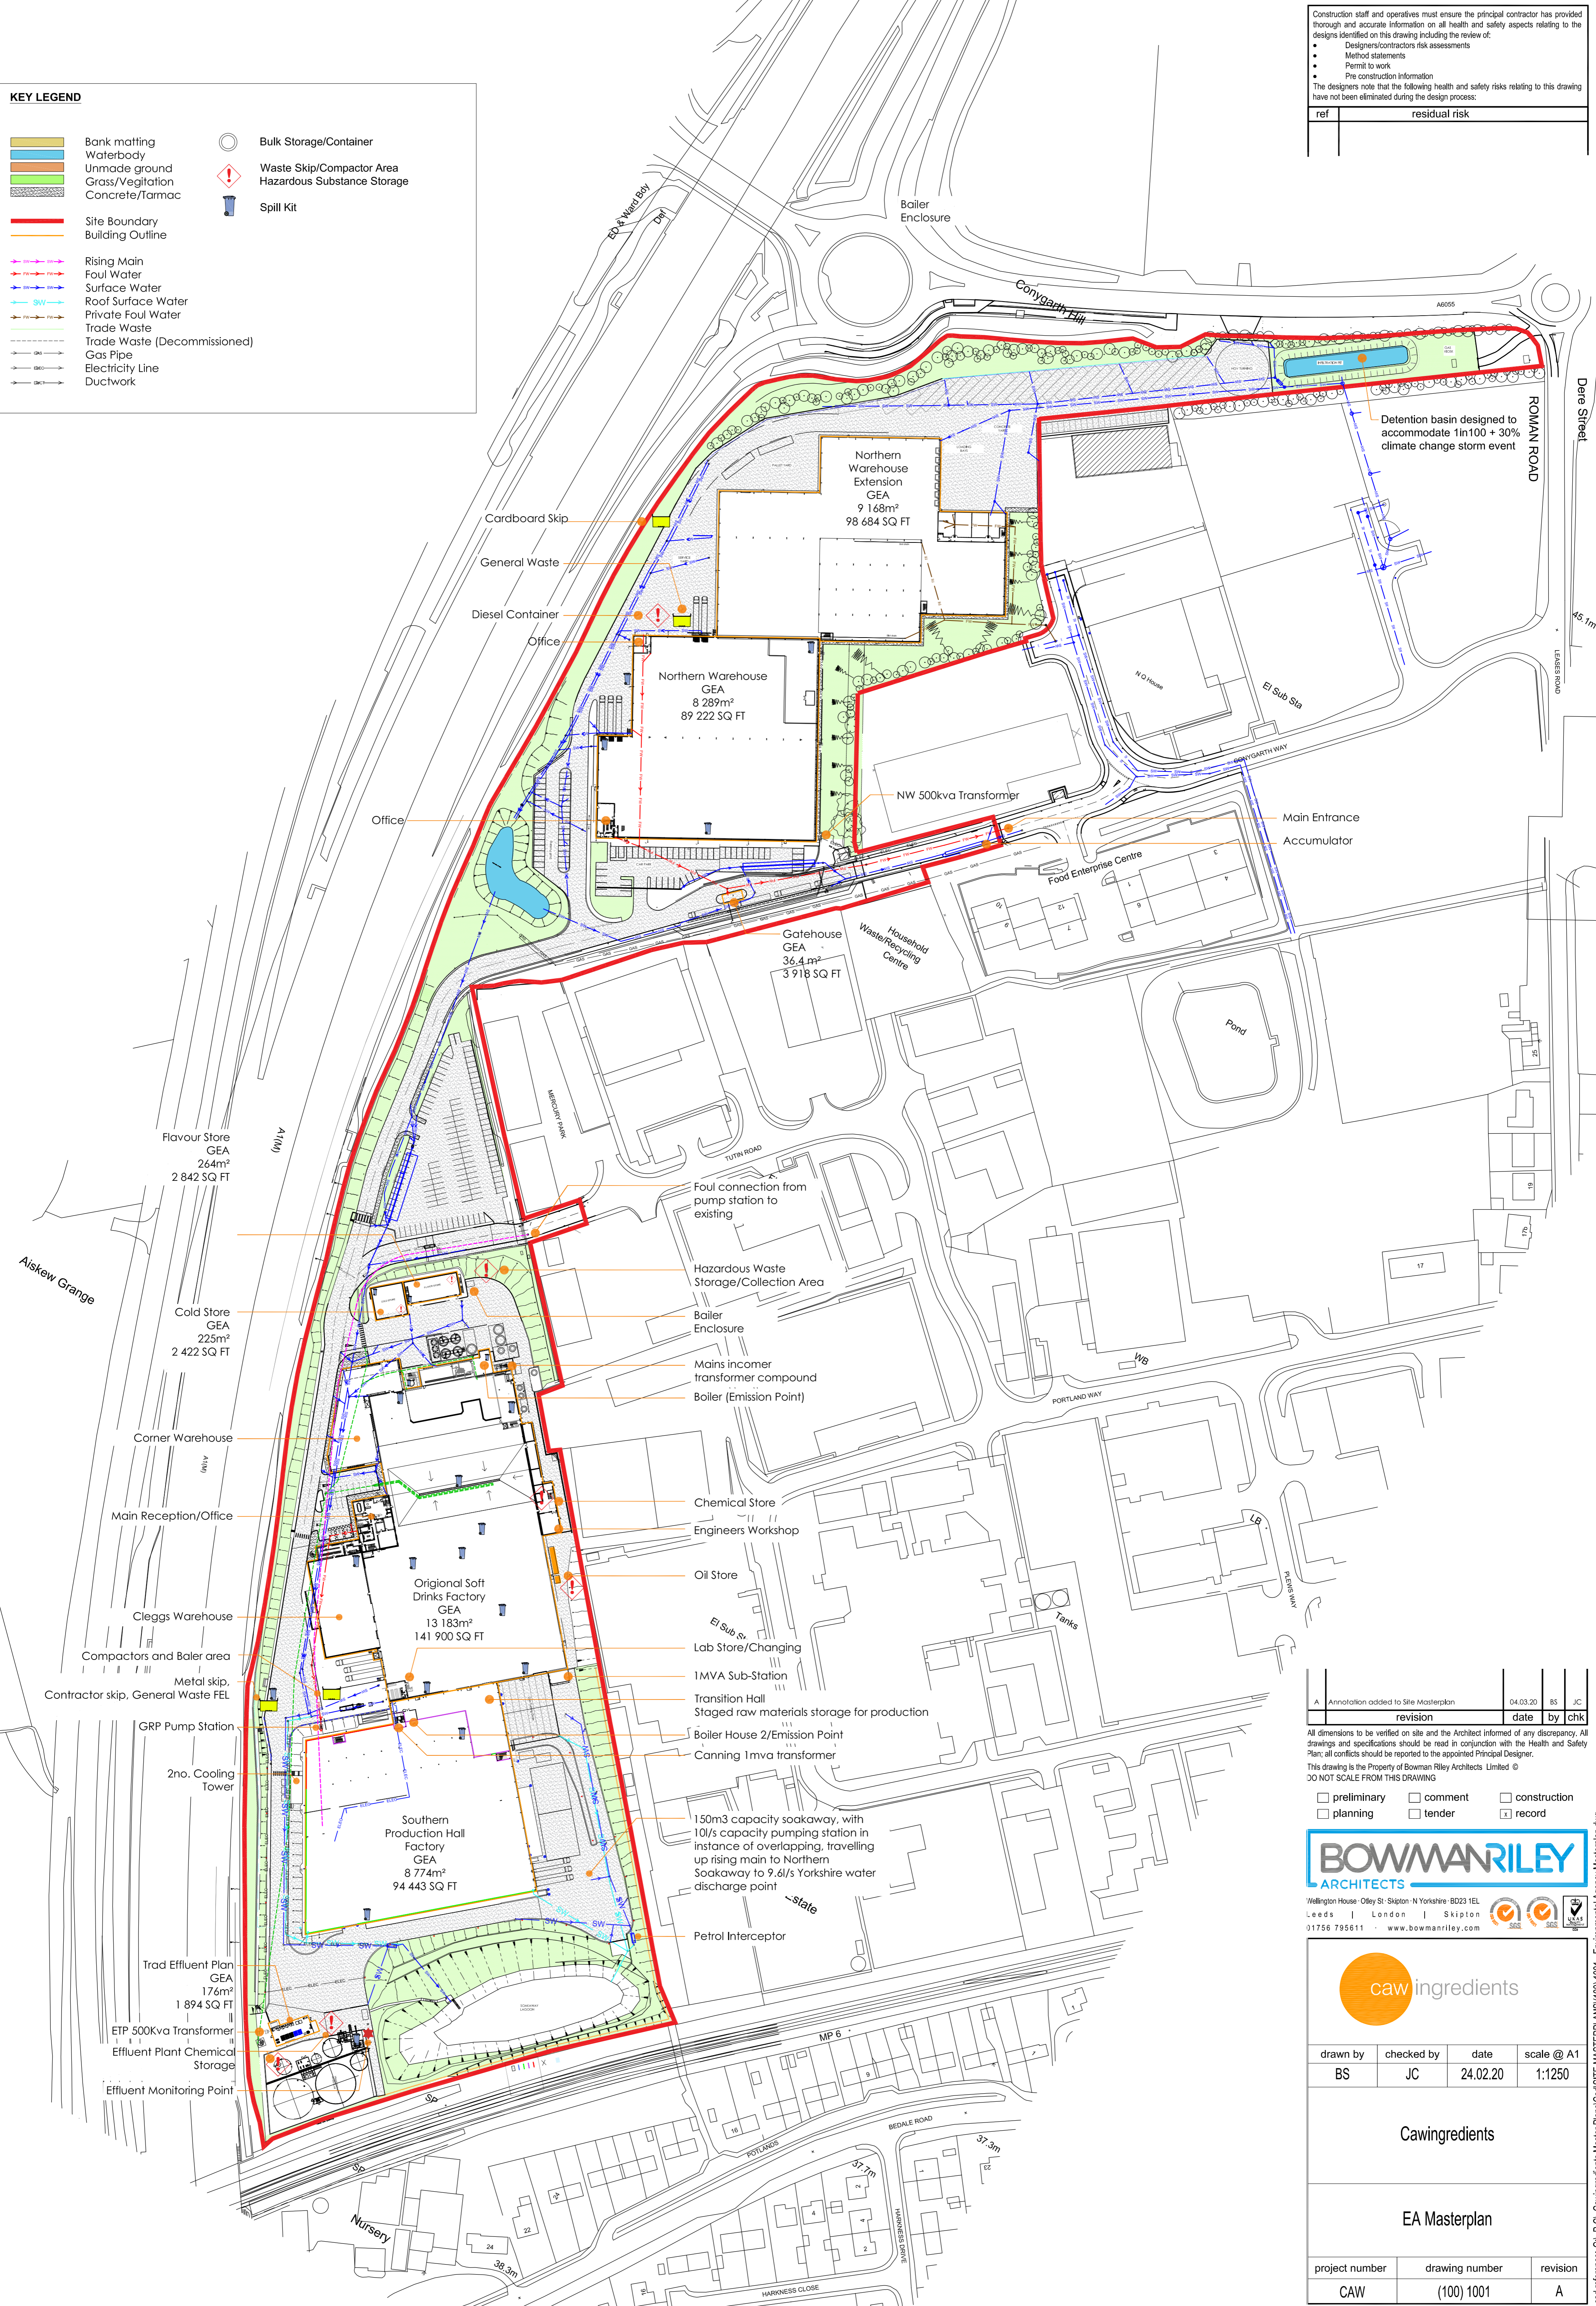

- Bank matting
- Waterbody
- Unmade ground
- Grass/Vegetation
- Concrete/Tarmac
- Site Boundary
- Building Outline
- Rising Main
- Foul Water
- Surface Water
- Roof Surface Water
- Private Foul Water
- Trade Waste
- Trade Waste (Decommissioned)
- Gas Pipe
- Electricity Line
- Ductwork
- Bulk Storage/Container
- Waste Skip/Compactor Area
- Hazardous Substance Storage
- Spill Kit

Construction staff and operatives must ensure the principal contractor has provided thorough and accurate information on all health and safety aspects relating to the designs identified on this drawing including the review of:

- Designers/contractors risk assessments
- Method statements
- Permit to work
- Pre construction information

The designers note that the following health and safety risks relating to this drawing have not been eliminated during the design process:

ref	residual risk

Detention basin designed to accommodate 1in100 + 30% climate change storm event

Flavour Store
