Dear PSC,

Please find enclosed the Permit Application Document Pack for Immingham Green Energy Terminal.

Please note that:

- The H1 screening tool is presented in version 8 as the new version 9 was not operating properly.
- The application fee is being paid by BACs transfer and we will confirm by separate email the reference number when the payment has been confirmed as transferred.
- We have included a letter requesting prioritisation of this application.

Yours sincerely,

Caroline Braithwaite  
Principal Permitting Consultant – EHS, UK and Ireland
