Permit ref. (EPR/NP3005PR/A001) – Environmental Permit Application

On behalf of VPI Immingham B Ltd (“VPIB”), please find enclosed an electronic copy of an application for a Bespoke Environmental Permit for the VPI Immingham OCGT Power Station, near Immingham, North Lincolnshire, DN40 3DZ, pre-application reference EPR/NP3005PR/A001.

The application has been submitted as a bespoke permit application based on pre-application advice from the Environment Agency.

The application includes the application forms A, B2, B3 and F1, and supporting reports.

The payment of £19,882 for the permit application has been made by VPIB via BACS (reference: PSCAPPVPIIM299) on 24th April 2019.

If you have any questions regarding the application, please contact Matthew Welch at VPIB at MWelch@vpi-i.com.

Yours sincerely,

Helen Watson
