---

Dear Dylan Thomas

**Environmental Permitting (England and Wales) Regulations 2016**

**Application reference: EPR/CP3994ZR/V006**

**Operator: DARRINGTON QUARRIES LIMITED**

**Facility: Skelbrooke Landfill Extension, Straight Lane, Doncaster, DN6 8LY**

I'm writing to let you know that your application is duly made as of 12/01/2024. 'Duly made' means that we have all the information we need to start determination. Determination is where we assess and make a decision on your application.

During periods of high workload we may not be able to start determination straight away.

We want to give you a decision as quickly as possible. Once the officer has familiarised themselves with your application, they'll be able to give an estimate of timescales.

The determination time will depend on a number of factors, such as:

- the complexity of the application
- whether we need to consult. See [Environmental permits: when and how we consult](#) for a list of applications that require public consultation.
- whether we need to ask you for further information so we can complete determination.

From our initial checks, it's likely that we'll need to ask you for further information about. We'll contact you about this and any other items during determination. We'll

explain what we need and how long you have to provide it.

For further information on the permitting process, please see [Environmental permitting guidance: Core guidance](#).

If your application contained a request for confidentiality, we'll write to you separately about our decision on that.

If you have any questions in the meantime, please contact me on 07770 792744 or email [Tamara.Hemsley@environment-agency.gov.uk](mailto:Tamara.Hemsley@environment-agency.gov.uk).

Yours sincerely,  
Tamara Hemsley
