

**Key:**

- Permit Boundary
- 1 Amenity - Moto Cross Circuit
- 2 Amenity - Doncaster Sheffield Airport
- 3 Amenity - Commercial/ Industrial Area
- 1 Surface Water- Surface Water Drain
- 2 Surface Water- Pond
- Surface Water

**Notes:**

- Migration through surrounding strata is possible within the Chester Sandstone.
- Surface water drain located to the north of the site flows to Austerfield Drain circa 810 m east of the permit boundary.
- No pipes or drains are located within the site. For details of surface water drainage design refer to 'Drainage Plan' (drawing ref. 193433/D/005).
