

Application for an environmental permit Part D2 – Application for transfer (installations, waste operations, medium combustion plant/specified generator and mining waste operations only)

If you want to transfer all, or part of, your existing permit to another person, you must get the person who will take on the permit to fill in parts A, D2 and F1. Please check that this is the latest version of the form available from our website.

The current holder of the permit has to tick the relevant declaration in section 6 part F.

Note: we will issue a letter to both current and new holders to confirm the transfer. If you are changing address we will need to send this letter to your new address; therefore please tell us your new address in a separate letter.

Please read through this form and the guidance notes that came with it.

The form can be:

- 1) saved onto a computer and then filled in. Please note that the form follows a logic that means questions will open or stay closed depending on a previous answer. So you may not be able to enter text in some boxes.
- 2) printed off and filled in by hand. Please write clearly in the answer spaces.

It will take less than two hours to fill in this form.

4d Management systems

You must have an effective, written management system in place that identifies and reduces the risk of pollution. You may show this by using a certified scheme or your own system.

Your permit requires you (as the operator) to ensure that you manage and operate your activities in accordance with a written management system.

You can find guidance on management systems on our website at www.gov.uk/government/organisations/environment-agency.

Tick this box to confirm that you have read the guidance and that your management system will meet our requirements

What management system will you provide for your regulated facility (not required for medium combustion plant/specified generator)?

- ISO 14001
- BS 8555 (Phases 1–5)
- Green Dragon
- Own management system

4 Your ability as the new operator, continued

Please make sure you send us a summary of your management system with your application (not required for medium combustion plant/specified generator).
