Hi Stuart

As discussed please find attached

- Revised Part 1
- Revised part C2
- Email from Severn Trent ref new application for consent for site B
- Environmental Risk assessment for Site A and B – inclusive of noise and odour
- NMP
- Noise impact assessment July 2017 (advised production activities started April 2017) believe this was the main impact assessment, the one sent in by David for 2018 looks like a review post movement of equipment on site.
- OMP
- BAT Gap analysis (inclusive of CIP references / onsite cleaning info/ resource management)
- 2x Boilers on Site B. = Lochinvar Gas boilers, heat input 57.9KW / 374ltr capacity

I have been advised that accounts are making the payment today ref outstanding amount for the substantial change (£5593)

Habitat RA and H1 to follow next week, if you could have a look through attached and feedback what further info you need.

Kind Regards

Neil
