Hi Tommy,

Please find the Noise Management Plan and the QSI data exchange format files for the noise modelling at White Oaks Recycling Facility attached.

If you have any queries, please do not hesitate to contact me.

Many thanks,

Hi Georgie

Thank you for the correspondence and telephone call. Further to our discussion, we would require you to submit noise model input data in QSI data exchange format files where you have used noise modelling. Your noise impact assessment consultant should be able to provide these for you.

I have included the link below for any further guidance on noise impact assessments.

Kind Regards

Good Morning Tommy,

Hope you are well.

Please would you provide me with an update on your progress with the Magwood Truck & Plant Services Ltd application (EPR/HB3204UV/A001)?

Many thanks,
