

## **Contents page / Guide to documents for public consultation**

All documents are numbered for ease of viewing. For clarity, where a revised version of a document has superseded an earlier submission, only the latest edition has been included for view to avoid duplication.

Please note that further information for the four separate applications was requested together to support a smoother duly making process.

### **Application reference 003174: Maer Lane Wastewater Treatment Works, Maer Lane, Exmouth, Devon, EX8 5DB**
