Dear Sir / Madam,

RE:

I am pleased to enclose an application for the above permit.

We are applying for a permit variation to update the current permit into EPR format and increase the pass forward flow from 109 l/s to 700 l/s.

This application comprises:

- Application forms A, C2, C6, F1
- Site Plan
- Non-Technical Summary
- BACS reference no. A0000106898 for the application fee of £3011
- ISO14001 Certificate
- PSKPM
- Supporting documents

If you have any queries regarding this application, please do not hesitate to contact me.
