Hi Rhianna,

Please see screen shot below showing the nearest Fire Hydrants. These are statutory and therefore our responsibility.

We do not have flow information that would have to come from the water company.

Kind regards

**Simon**

Good Afternoon,

I am contacting you from Wiser Environment on behalf of a client based in Guildford, at the postcode GU1 1RU. We require some information around fire hydrants at this location in order to fulfil an environmental permit application and I am hoping you can help me.

Would it be at all possible for you to provide us with the relevant information regarding where the closest fire hydrant is located to the above location?

If you also have any details on the flow rate at this hydrant location and information as to whether the hydrant is maintained by yourselves, that would be greatly appreciated.

Kind regards,

Rhianna Dawkes BSc
