Good morning

I have picked up another new installation poultry application this time for Oakwood Farm

This is also a validation piece of work with final deadline for duly making 4 weeks from date application passed basic admin checks ( complete 16/08/24).

First of all, I need to check basic operator is Freemans of Newent Limited again not Faccenda?

Please can you reply to attached duly making questions

Again, as the location is within Herefordshire I am seeking confirmation from our area team that this is not a SHPI

*To help please can you confirm asap if there is an existing farm and if so relevant bird type/numbers on the site.*

Please respond within 2 weeks i.e. by 06/09/24.

Thanks

Simon.
