Subject: Application Bespoke EPR/YP3142YE/A001 - Hopes Ash Farm - Not Duly Made Additional Information Request

Hi Steve,

I have now reviewed your pre-application and application documents for Hopes Ash Farm. As part of the Not Duly Made process please could you send additional information:

- Please provide the modelling data files for the ammonia report.

Please provide above information by 13 April at the latest.

Once I receive the files I will progress towards Duly Making your application.

Please feel free to contact me if you have any questions.

Regards,

Una
