

Appendix 8: Waste Review

Carrick's Farm

Boarcross Ltd

Waste stream	Can you avoid producing it	Can you reduce the amount of it	Can it be recovered, reused or recycled	If disposed, have you complied with legislation	Are there any changes you can make	Notes
Biocides						
Virkon	N	N	N	Y	N	Rinsings from the containers are used during cleaning out to minimise the amount of chemical wasted
Viron	N	N	N	Y	N	Minimal amounts of spare chemical is wasted, if any.
Schippers	N	N	N	Y	N	Minimal amounts of spare chemical is wasted, if any.
Pesticides						
Herbicide - glyphosate	N	N	N	Y	N	Equipment is triple rinsed and sprayed on weeds to reduce excess chemical produced
Intermitox	N	N	N	Y	N	Minimal amounts of the mite pesticide is wasted, if any.
Rodenticide - a mixture of rat control and fly control	N	N	N	N/A	N	Currently thrown out as general waste- could be improved by using specific vermin control contractor
Feed residues						
Feed	Y	Y	Y	N/A	N	Good maintenance reduces feed waste, in the case of spills, most is re-used.
Veterinary products						
Vaccines	N	N	N	Y	N	Minimal quantities of vaccine is wasted, disposal is as directed on information sheets
Antibiotics	N	N	N	Y	N	Minimal quantities of vaccine is wasted, disposal is as directed on information sheets

Appendix 8: Waste Review

Carrick's Farm

Boarcross Ltd

Fallen stock & animal by-products						
Fallen stock	N	N	N	Y	N	Carcasses are removed by A Hughes and Son who is appropriately licensed and registered.
Scrap metals						
Broken augers & other parts	N	N	Y	Y	N	Local scrap merchant collects and recycles - Brunton
Oils and lubricants						
N/A						
Packaging						
Vaccine glass bottles	N	N	N	Y	Y	Currently all waste is sorted either as general, or as recycling. Plans to make a more efficient and coherent allocation of waste will be made.
Cardboard	N	N	N	Y	Y	
Paper	N	N	N	Y	Y	
Antibiotic plastic tubs	N	N	N	Y	Y	
Herbicide containers	N	N	N	Y	Y	
Pesticide containers	N	N	N	Y	Y	
Biocide containers	N	N	N	Y	Y	
Building residues						
N/A						
Light bulb						
Fluorescent tubes	N	N	N	Y	Y	Currently collected in general bin. Segregation of this waste would be beneficial.
Liquid wastes						

Boarcross Ltd

Appendix 8: Waste Review

Carrick's Farm

Footdips - virkon	N	Y	N	Y	N	Limited amount of footdip is wasted, only that deemed to be too dirty to be efficient
