Application reference: EPR/RP3028MM/A002

Operator: Richard Sadler

Facility: Thorps Farm, DALTON LANE, HULL, HU12 0DG

I'm writing to let you know that your application is duly made as of 01/09/2026. 'Duly made' means that we have all the information we need to start determination. Determination is where we assess and make a decision on your application.

We will allocate your application to a Permitting Officer for determination as soon as possible. While we aim to allocate applications as quickly as possible, there may be a short delay before you hear from us next as we assign your application to an appropriate officer. Once allocated, the officer will contact you to let you know.

If we do need further information, we'll contact you during determination. We'll explain what information we need and how long you have to provide it.

For further information on the permitting process, please see [Environmental permitting guidance: Core guidance](#).
