Good afternoon,

Please find attached the first documents for a new application for Cattle Holderness Ltd - Willow Tree Farm. A pre-application request has been put in, as per guidance, though detailed modelling has already been conducted. The documents attached include:

- Application contents list
- B3.5 application form
- List of Directors
- Ammonia Modelling report
- Non-technical summary and BAT-AEL review

Remaining documents will follow in the next email.

Many thanks,

Lizzie
