**Subject:** RE: Eco-Power Environmental (Hull) Limited EPR/MP3107PP, We need more information about your application and Underpayment of application charge  
**Attachments:** Climate change risk assessment 20 10 2020.odt; Eco 09.03.2020.EPTR.pdf  
**Categories:** [REDACTED]

Hi [REDACTED]

As requested I have attached the climate change risk assessment.

Sorry, the answer to question 3 on form B2 gives the reference Eco 09.03.2020/Appendix III for the summary of the Environmental Management System. The correct reference is Eco 09.03.2020.EPTR Section 3.4 which is contained in the original application documents (copy attached).

The additional fee of £779 has been paid by BACS using the original reference number.

Please let me know if you need anything else.

Regards

[REDACTED]

Kind Regards

[REDACTED]

**Subject:** Eco-Power Environmental (Hull) Limited EPR/MP3107PP, We need more information about your application and Underpayment of application charge

Dear [REDACTED]

### **Environmental permitting application**

**Application Reference: EPR/MP3107PP/A001**

**Operator: Eco-Power Environmental (Hull) Limited**

**Facility: Eco-Power Environmental (Hull) Limited EPR/MP3107PP**

Thank you for your application received **25/08/2020**. The following is to confirm our conversation of **13/10/2020**.

#### Where the payment is insufficient

Unfortunately the application payment you sent is incorrect. The correct application charge is £ 20978. This leaves a balance of £779 to pay:

- Your application requires an assessment under the Habitats Regulations. The charge for this assessment is not included in your baseline application charge. You will therefore need to make an additional payment of £779.

#### Where information is missing

I need to ask you for some missing information before I can do any more work on your application. Please provide us with more information in relation to the following points:

- **A summary of your Environment Management.** A summary should cover all the points in 'Develop a management system: environmental permits' at <https://www.gov.uk/guidance/develop-a-management-system-environmental-permits>.
- You need to provide a climate change risk assessment, see question 6b on application form B2.

Please send the information, quoting the above application reference, to:

Email address: [psc@environment-agency.gov.uk](mailto:psc@environment-agency.gov.uk).

Postal address:

Permitting and Support Centre

Quadrant 2

99 Parkway Avenue

Parkway Business Park

Sheffield

S9 4WF

#### For all applications

Please send the information and payment within 10 working days of this letter. Details of how to pay are given in Part F of the application form.

If we do not receive the information and payment within 10 working days we will return your application.

If we do receive the requested information and payment within 10 working days, we'll continue to check your application. We'll check to see if there's enough information for the application to be 'duly made'. Duly made means that we have all the information we need to begin determination. Determination is where we assess your application and decide if we can allow what you've asked for.

We'll let you know by letter whether your application can be duly made. If it can't be duly made, we'll return your application to you.

If we do have to return your application we'll send you a partial refund of your application payment. We'll retain 20% of the application charge to cover our costs in reviewing your application and requesting information. This maximum amount we'll retain is capped at £1,500. Further information on charging can be found at: <https://www.gov.uk/government/publications/environmental-permitting-ep-charges-scheme>

If you have any questions please phone me on [REDACTED]  
[REDACTED]

Regards
